

Injury Date	Determination Status	Description	Nature Of Injury Description	Mechanism Of Injury Description	Claim Costs
4/02/2013	Accepted		Anxiety/stress disorder	Work pressure	\$10,691.28
14/02/2013	Accepted		Other fractures, not elsewhere classified	Being hit by moving objects	\$204.70
12/03/2013	Accepted		Trauma to muscles and tendons, unspecified	Being assaulted by a person or persons	\$5,458.49
1/01/2013	Accepted		Anxiety/depression combined	Work pressure	\$95,234.72
21/03/2013	Accepted		Anxiety/stress disorder	Work pressure	\$40,610.92
7/03/2013	Accepted		Contusion, bruising and superficial crushing	Being assaulted by a person or persons	\$18,038.59
4/04/2013	Accepted		Other intracranial injury, not elsewhere classified	Falls on the same level	\$5,539.23
18/04/2013	Accepted		Ischaemic heart disease	Unspecified mechanisms of incident	\$188,702.79
12/04/2013	Accepted		Trauma to muscles and tendons, unspecified	Falls on the same level	\$2,899.85
26/02/2013	Accepted		Trauma to tendon	Falls on the same level	\$463,676.00
6/05/2013	Accepted		Trauma to muscles	Muscular stress while handling objects other than lifting, c	\$1,102.12
23/05/2013	Accepted		Trauma to joints and ligaments, unspecified	Muscular stress while handling objects other than lifting, c	\$1,879.96
17/05/2013	Accepted		Trauma to muscles	Muscular stress while handling objects other than lifting, c	\$50,156.14
6/05/2013	Accepted		Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress while lifting, carrying, or putting down obj	\$502.40
28/05/2013	Accepted		Anxiety/depression combined	Exposure to workplace or occupational violence	\$67,473.38
24/05/2013	Accepted		Fractured skull and facial bones	Being hit by a person accidentally	\$257.00
27/05/2013	Accepted		Laceration or open wound not involving traumatic amputation	Being assaulted by a person or persons	\$178.25
13/06/2013	Accepted		Soft tissue injuries due to trauma or unknown mechanisms wit	Being assaulted by a person or persons	\$1,438.89
12/06/2013	Accepted		Soft tissue injuries due to trauma or unknown mechanisms wit	Being assaulted by a person or persons	\$583.60
31/05/2013	Accepted		Contusion, bruising and superficial crushing	Being assaulted by a person or persons	\$65.00
6/05/2013	Accepted		Hernias	Muscular stress while lifting, carrying, or putting down obj	\$4,986.83
21/05/2013	Accepted		Contusion, bruising and superficial crushing	Falls on the same level	\$130.00
19/06/2013	Accepted		Other fractures, not elsewhere classified	Being assaulted by a person or persons	\$65.00
23/05/2013	Accepted		Bursitis	Muscular stress while lifting, carrying, or putting down obj	\$2,411.48
17/06/2013	Accepted		Deafness	Long term exposure to sounds	\$21,832.00
11/06/2013	Accepted		Trauma to muscles and tendons, unspecified	Being trapped between stationary and moving objects	\$214,309.11
24/06/2013	Accepted		Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress while handling objects other than lifting, c	\$211.60
2/07/2013	Accepted		Unspecified injuries	Being hit by moving objects	\$164.40
22/07/2013	Accepted		Laceration or open wound not involving traumatic amputation	Being assaulted by a person or persons	\$65.80
5/06/2013	Rejected		Anxiety/stress disorder	Work pressure	\$11,839.80
1/08/2013	Accepted		Contusion, bruising and superficial crushing	Being assaulted by a person or persons	\$101.37
28/06/2013	Accepted		Dislocation	Falls on the same level	\$582.01
20/08/2013	Accepted		Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress with no objects being handled	\$611.09
23/08/2013	Accepted		Epicondylitis	Muscular stress while handling objects other than lifting, c	\$140.60
12/09/2013	Accepted		Foreign body on external eye, in ear or nose or in respirato	Contact with, or exposure to, biological factors of human or	\$1,111.29
6/09/2013	Accepted		Soft tissue injuries due to trauma or unknown mechanisms wit	Being trapped by moving machinery or equipment	\$1,985.83
28/08/2013	Accepted		Soft tissue injuries due to trauma or unknown mechanisms wit	Being hit by a person accidentally	\$4,755.02
27/08/2013	Accepted		Anxiety/stress disorder	Work pressure	\$26,009.69
31/08/2013	Accepted		Anxiety/stress disorder	Work related harassment and/or workplace bullying	\$66,514.31
17/09/2013	Accepted		Anxiety/stress disorder	Exposure to workplace or occupational violence	\$11,340.93
15/10/2013	Accepted		Viral diseases, not classified elsewhere	Contact with, or exposure to, biological factors of human or	\$4,145.84
16/10/2013	Accepted		Trauma to muscles	Muscular stress while handling objects other than lifting, c	\$377.80
20/11/2013	Accepted		Trauma to muscles	Being assaulted by a person or persons	\$2,617.30
13/11/2013	Accepted		Reaction to stressors ? other, multiple or not specified	Work related harassment and/or workplace bullying	\$99,736.18
4/12/2013	Accepted		Laceration or open wound not involving traumatic amputation	Being assaulted by a person or persons	\$202.28
13/11/2013	Accepted		Epicondylitis	Muscular stress while handling objects other than lifting, c	\$12,903.74
20/11/2013	Accepted		Trauma to muscles and tendons, unspecified	Being hit by a person accidentally	\$1,200.61
18/11/2013	Accepted		Trauma to muscles	Muscular stress while handling objects other than lifting, c	\$4,652.62
29/11/2013	Accepted		Anxiety/stress disorder	Work related harassment and/or workplace bullying	\$38,402.92

17/02/2014	Accepted	Contusion, bruising and superficial crushing	Being assaulted by a person or persons	\$1,626.95
3/12/2013	Accepted	Tendinitis	Being hit by a person accidentally	\$1,956.91
18/02/2014	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being assaulted by a person or persons	\$98.60
5/02/2014	Accepted	Trauma to joints and ligaments, not elsewhere classified	Falls on the same level	\$1,263.82
17/02/2014	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress with no objects being handled	\$713.40
26/02/2014	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Falls on the same level	\$937.20
25/02/2014	Accepted	Trauma to muscles and tendons, unspecified	Being assaulted by a person or persons	\$22,120.31
2/04/2014	Accepted	Laceration or open wound not involving traumatic amputation	Being trapped by moving machinery or equipment	\$1,154.26
26/03/2014	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being hit by a person accidentally	\$8,183.75
27/03/2014	Accepted	Other diseases of the eye	Being assaulted by a person or persons	\$1,305.42
14/05/2014	Accepted	Trauma to joints and ligaments, not elsewhere classified	Being assaulted by a person or persons	\$1,158.57
7/04/2014	Accepted	Trauma to muscles and tendons, unspecified	Muscular stress while handling objects other than lifting, c	\$1,646.80
23/05/2014	Accepted	Depression	Work pressure	\$3,763.57
8/05/2014	Accepted	Trauma to muscles and tendons, unspecified	Being assaulted by a person or persons	\$2,408.98
28/05/2014	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being assaulted by a person or persons	\$858.04
5/03/2014	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress while handling objects other than lifting, c	\$2,299.32
21/05/2014	Accepted	Dislocation	Being hit by a person accidentally	\$2,177.86
29/04/2014	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress while lifting, carrying, or putting down obj	\$1,609.16
27/05/2014	Accepted	Trauma to muscles and tendons, unspecified	Muscular stress while handling objects other than lifting, c	\$1,462.28
8/05/2014	Accepted	Anxiety/stress disorder	Exposure to workplace or occupational violence	\$6,871.45
20/03/2014	Accepted	Anxiety/stress disorder	Work pressure	\$6,465.88
27/05/2014	Accepted	Anxiety/stress disorder	Work pressure	\$2,793.52
20/05/2014	Accepted	Trauma to muscles and tendons, unspecified	Being hit by a person accidentally	\$19,687.22
24/06/2014	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress while handling objects other than lifting, c	\$1,273.12
1/08/2014	Accepted	Trauma to muscles and tendons, unspecified	Falls on the same level	\$1,532.80
23/07/2014	Accepted	Laceration or open wound not involving traumatic amputation	Being assaulted by a person or persons	\$396.79
29/07/2014	Accepted	Anxiety/stress disorder	Work pressure	\$124,733.43
30/07/2014	Accepted	Dislocation	Unspecified mechanisms of incident	\$6,504.94
30/07/2014	Accepted	Trauma to muscles and tendons, unspecified	Being trapped between stationary and moving objects	\$459.80
25/08/2014	Accepted	Trauma to tendon	Muscular stress while lifting, carrying, or putting down obj	\$20,203.03
29/08/2014	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being assaulted by a person or persons	\$839.70
24/09/2014	Accepted	Other fractures, not elsewhere classified	Falls on the same level	\$20,204.35
10/09/2014	Accepted	Laceration or open wound not involving traumatic amputation	Being assaulted by a person or persons	\$115.70
29/08/2014	Accepted	Asthma	Single contact with chemical or substance	\$412.74
18/08/2014	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being hit by moving objects	\$66.90
15/09/2014	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Falls on the same level	\$549.00
24/09/2014	Accepted	Other fractures, not elsewhere classified	Falls from a height	\$39,553.12
13/03/2013	Accepted	Contusion, bruising and superficial crushing	Being hit by a person accidentally	\$162.40
17/10/2014	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Falls on the same level	\$2,519.44
27/06/2014	Accepted	Bursitis	Muscular stress while lifting, carrying, or putting down obj	\$5,851.48
26/03/2014	Accepted	Anxiety/stress disorder	Work pressure	\$224,748.29
13/05/2014	Rejected	Reaction to stressors ? other, multiple or not specified	Work pressure	\$2,708.59
25/07/2014	Accepted	Trauma to muscles	Muscular stress with no objects being handled	\$276.00
16/02/2015	Accepted	Trauma to joints and ligaments, not elsewhere classified	Being hit by a person accidentally	\$1,143.01
22/01/2015	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress while lifting, carrying, or putting down obj	\$4,556.80
12/09/2014	Accepted	Contusion, bruising and superficial crushing	Falls on the same level	\$301.90
3/02/2015	Accepted	Other intracranial injury, not elsewhere classified	Hitting stationary objects	\$678.86
6/02/2015	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress while handling objects other than lifting, c	\$1,971.40
17/03/2015	Accepted	Laceration or open wound not involving traumatic amputation	Being assaulted by a person or persons	\$167.10
11/03/2015	Accepted	Contusion, bruising and superficial crushing	Being hit by a person accidentally	\$709.81

10/03/2015	Accepted	Anxiety/stress disorder	Work pressure	\$423.89
16/02/2015	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being assaulted by a person or persons	\$1,320.15
11/03/2015	Accepted	Contusion, bruising and superficial crushing	Being assaulted by a person or persons	\$294.70
13/03/2015	Accepted	Other intracranial injury, not elsewhere classified	Being assaulted by a person or persons	\$2,794.37
16/03/2015	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being trapped between stationary and moving objects	\$518.20
2/04/2015	Accepted	Other fractures, not elsewhere classified	Falls on the same level	\$12,614.02
31/03/2015	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress while lifting, carrying, or putting down obj	\$1,493.78
19/03/2015	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress while lifting, carrying, or putting down obj	\$3,269.26
12/05/2015	Accepted	Trauma to joints and ligaments, unspecified	Being assaulted by a person or persons	\$278.45
25/03/2015	Accepted	Trauma to muscles	Being assaulted by a person or persons	\$627.60
1/05/2015	Accepted	Trauma to muscles and tendons, unspecified	Being hit by moving objects	\$74.70
13/05/2015	Accepted	Trauma to muscles and tendons, unspecified	Muscular stress while handling objects other than lifting, c	\$40,848.00
3/02/2014	Accepted	Anxiety/depression combined	Work related harassment and/or workplace bullying	\$176,464.82
15/05/2015	Accepted	Bursitis	Being assaulted by a person or persons	\$4,178.20
18/05/2015	Accepted	Trauma to muscles and tendons, unspecified	Being hit by a person accidentally	\$493.85
17/06/2014	Accepted	Anxiety/depression combined	Work pressure	\$114,220.46
27/05/2015	Accepted	Contusion, bruising and superficial crushing	Being hit by a person accidentally	\$576.43
6/05/2015	Accepted	Laceration or open wound not involving traumatic amputation	Being assaulted by a person or persons	\$857.91
22/05/2015	Accepted	Trauma to joints and ligaments, unspecified	Unspecified mechanisms of incident	\$3,674.27
2/06/2015	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress while handling objects other than lifting, c	\$686.00
4/06/2015	Rejected	Depression	Work pressure	
11/05/2015	Accepted	Anxiety/depression combined	Work pressure	\$34,057.91
27/07/2015	Accepted	Trauma to muscles and tendons, unspecified	Being hit by a person accidentally	\$463.00
11/08/2015	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being assaulted by a person or persons	\$69.60
19/10/2015	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being assaulted by a person or persons	\$69.60
3/11/2015	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being assaulted by a person or persons	\$65.80
14/10/2015	Accepted	Other intracranial injury, not elsewhere classified	Being assaulted by a person or persons	
9/09/2015	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being assaulted by a person or persons	\$973.80
1/12/2015	Accepted	Trauma to muscles and tendons, unspecified	Being assaulted by a person or persons	\$1,343.00
9/02/2016	Accepted	Trauma to muscles and tendons, unspecified	Falls on the same level	\$6,627.45
10/12/2015	Accepted	Other intracranial injury, not elsewhere classified	Falls on the same level	\$306.26
18/02/2016	Rejected	Anxiety/stress disorder	Work pressure	\$46,654.58
22/03/2016	Accepted	Contusion, bruising and superficial crushing	Being assaulted by a person or persons	\$420.97
1/12/2015	Accepted	Anxiety/stress disorder	Work pressure	\$1,024,614.57
6/05/2016	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being assaulted by a person or persons	\$1,799.28
18/05/2016	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress while handling objects other than lifting, c	\$592.39
4/04/2016	Accepted	Anxiety/depression combined	Work pressure	\$164,581.00
20/06/2016	Accepted	Other fractures, not elsewhere classified	Falls on the same level	\$2,317.08
15/06/2016	Accepted	Trauma to tendon	Muscular stress with no objects being handled	\$383.90
23/06/2016	Accepted	Other fractures, not elsewhere classified	Falls on the same level	\$34,112.00
18/06/2016	Rejected	Anxiety/depression combined	Work pressure	\$31,784.17
6/07/2016	Accepted	Trauma to muscles	Being assaulted by a person or persons	\$2,294.50
6/07/2016	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being assaulted by a person or persons	\$707.10
18/07/2016	Accepted	Other fractures, not elsewhere classified	Falls on the same level	\$3,490.03
16/03/2016	Accepted	Depression	Work related harassment and/or workplace bullying	\$4,206.00
9/06/2016	Accepted	Trauma to muscles and tendons, unspecified	Being hit by a person accidentally	\$733.61
7/06/2016	Accepted	Other diseases of the respiratory system, not elsewhere clas	Repetitive movement, low muscle loading	\$116,697.00
30/06/2016	Accepted	Other fractures, not elsewhere classified	Falls on the same level	\$397.69
21/06/2016	Accepted	Trauma to muscles and tendons, unspecified	Muscular stress while handling objects other than lifting, c	\$312.31
28/06/2016	Accepted	Trauma to joints and ligaments, unspecified	Being assaulted by a person or persons	\$526.70

11/04/2016	Rejected	Intracranial injury, unspecified	Being hit by moving objects	\$30,588.37
27/05/2016	Accepted	Fractured skull and facial bones	Being hit by moving objects	\$1,552.00
30/06/2016	Accepted	Trauma to muscles	Unspecified mechanisms of incident	\$931.59
13/05/2016	Accepted	Epicondylitis	Repetitive movement, low muscle loading	\$583.80
28/06/2016	Accepted	Laceration or open wound not involving traumatic amputation	Being assaulted by a person or persons	\$142.40
4/07/2016	Accepted	Trauma to joints and ligaments, unspecified	Being assaulted by a person or persons	\$21,294.45
9/07/2015	Accepted	Anxiety/depression combined	Work related harassment and/or workplace bullying	
13/04/2016	Accepted	Trauma to joints and ligaments, unspecified	Being assaulted by a person or persons	\$200,918.00
7/06/2016	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Falls on the same level	\$1,442.60
8/07/2016	Accepted	Trauma to joints and ligaments, unspecified	Falls on the same level	\$1,349.00
7/06/2016	Accepted	Other diseases, not elsewhere classified	Being assaulted by a person or persons	\$7,140.52
8/07/2016	Accepted	Anxiety/stress disorder	Work pressure	\$403.40
15/02/2016	Accepted	Anxiety/stress disorder	Work pressure	\$117,078.00
19/08/2016	Accepted	Contusion, bruising and superficial crushing	Hitting stationary objects	\$1,081.74
2/08/2016	Accepted	Other fractures, not elsewhere classified	Falls from a height	\$5,484.00
30/06/2016	Accepted	Dislocation	Falls on the same level	\$2,362.80
5/08/2016	Accepted	Trauma to muscles	Being hit by falling objects	\$69.60
11/07/2016	Accepted	Trauma to joints and ligaments, unspecified	Falls on the same level	\$511.40
2/05/2016	Accepted	Laceration or open wound not involving traumatic amputation	Being assaulted by a person or persons	\$159.20
17/08/2016	Accepted	Trauma to muscles and tendons, unspecified	Muscular stress with no objects being handled	\$4,721.06
28/07/2016	Accepted	Contusion, bruising and superficial crushing	Being hit by moving objects	
12/08/2016	Accepted	Trauma to muscles	Repetitive movement, low muscle loading	\$1,687.15
10/08/2016	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Being assaulted by a person or persons	\$1,038.19
28/06/2016	Accepted	Other fractures, not elsewhere classified	Falls on the same level	\$215.20
5/07/2016	Accepted	Anxiety/stress disorder	Work pressure	\$6,932.01
20/06/2016	Accepted	Disc displacement, prolapse, degeneration or hernia	Muscular stress with no objects being handled	\$69,058.00
28/07/2016	Accepted	Trauma to muscles and tendons, not elsewhere classified	Muscular stress while handling objects other than lifting, c	\$41,032.00
28/06/2016	Accepted	Other intracranial injury, not elsewhere classified	Hitting stationary objects	\$502.60
20/06/2016	Accepted	Trauma to muscles and tendons, unspecified	Falls on the same level	\$112.10
10/08/2016	Accepted	Meniscus degenerate/detached/retained/chronic tear	Being hit by a person accidentally	\$16,676.96
20/05/2016	Accepted	Anxiety/stress disorder	Exposure to workplace or occupational violence	\$253,732.00
26/07/2016	Accepted	Dislocation	Falls on the same level	\$41,059.27
20/06/2016	Accepted	Other fractures, not elsewhere classified	Stepping, kneeling or sitting on objects	\$5,870.11
10/05/2016	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Falls from a height	\$3,017.82
22/06/2016	Rejected	Anxiety/stress disorder	Work pressure	\$57,178.00
23/03/2016	Accepted	Depression	Exposure to a traumatic event	\$91,874.00
31/05/2016	Accepted	Injuries to nerves and spinal cord, not elsewhere classified	Hitting moving objects	\$10,897.31
4/08/2016	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Falls on the same level	\$4,090.29
1/08/2016	Accepted	Anxiety/depression combined	Work pressure	\$1,277.08
4/07/2016	Rejected	Anxiety/stress disorder	Work related harassment and/or workplace bullying	\$4,705.83
2/08/2016	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Muscular stress while handling objects other than lifting, c	\$3,446.22
4/08/2016	Accepted	Trauma to joints and ligaments, unspecified	Muscular stress with no objects being handled	\$14,717.00
18/07/2016	Accepted	Dislocation	Falls from a height	\$10,349.98
26/07/2016	Accepted	Trauma to muscles	Muscular stress with no objects being handled	\$35,724.00
5/07/2016	Accepted	Laceration or open wound not involving traumatic amputation	Hitting stationary objects	\$4,358.74
29/07/2016	Accepted	Laceration or open wound not involving traumatic amputation	Hitting stationary objects	\$213.30
26/07/2016	Accepted	Other diseases of skin and subcutaneous tissue, not elsewher	Being hit by a person accidentally	\$1,312.30
1/08/2016	Accepted	Trauma to joints and ligaments, unspecified	Being hit by a person accidentally	\$152.90
4/08/2016	Accepted	Contusion, bruising and superficial crushing	Being assaulted by a person or persons	\$364.53
11/05/2016	Accepted	Contusion, bruising and superficial crushing	Being hit by falling objects	\$1,375.28

8/08/2016	Accepted	Laceration or open wound not involving traumatic amputation	Being hit by moving objects	\$644.80
3/08/2016	Accepted	Trauma to muscles and tendons, unspecified	Muscular stress while handling objects other than lifting, c	\$137,589.00
11/08/2016	Accepted	Trauma to joints and ligaments, unspecified	Falls on the same level	\$913.65
2/08/2016	Accepted	Trauma to joints and ligaments, unspecified	Falls on the same level	\$3,362.60
6/08/2016	Accepted	Anxiety/depression combined	Work related harassment and/or workplace bullying	\$69,942.00
23/06/2016	Accepted	Anxiety/stress disorder	Work pressure	\$66,299.00
9/05/2016	Accepted	Soft tissue injuries due to trauma or unknown mechanisms wit	Falls on the same level	\$283.50
29/07/2016	Accepted	Trauma to joints and ligaments, unspecified	Falls on the same level	\$436.00
20/05/2016	Accepted	Contusion, bruising and superficial crushing	Being assaulted by a person or persons	\$1,398.70
