Step 8. Select how you wish to be linked to the organisation, either as an employer or provider.

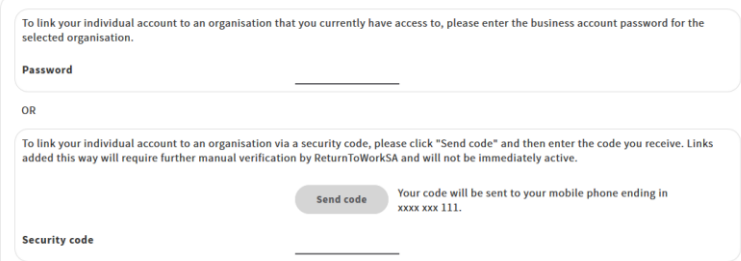

Step 9. Search for the organisation that you require access to by entering either the ABN, ACN or ReturnToWorkSA number which is the employer or provider number. Once you've done this, click 'search'.

For Official Use Only

Step 10: Select the organisation that you require access to from the search results and then click 'add new link'.

Step 11: If you have the password for the organisation you're requesting access to, enter it and then click 'add new link'.

Step 12: If not, click 'send code' and enter the security code that is sent to your mobile phone. Once you've done this, click 'add new link'.

The screenshot shows a web form with two main sections. The top section is titled "To link your individual account to an organisation that you currently have access to, please enter the business account password for the selected organisation." It contains a label "Password" followed by a text input field. Below this is the text "OR". The bottom section is titled "To link your individual account to an organisation via a security code, please click 'Send code' and then enter the code you receive. Links added this way will require further manual verification by ReturnToWorkSA and will not be immediately active." It features a "Send code" button, a text input field for the security code, and a note: "Your code will be sent to your mobile phone ending in xxxx xxx 111." Below the security code input field is a label "Security code".

Step 13: If you require access to more than one organisation, click 'clear' and search again.

Step 14: Once you've added all of the organisations that you require access to, click 'I am not a robot' and then click 'submit' to apply for approval.

Note: If access to any of your selected organisation(s) requires approval, we will notify you by email when this has been completed.

Step 15: Logout and login again for the changes to take effect.
