

Our support program provides medical practitioners with CPD accredited workshops and webinars to build understanding and confidence in managing patients with work related injuries.

## Face-to-face workshops

### Adelaide metro

Musculoskeletal: shoulder, knee and back injuries

Psychological claims management

Determining physical capacity

Understanding your medico legal responsibilities in work injury

Opioids and the pharmacology of chronic pain

### Regional

Pain management in practice: Mount Gambier

Psychological claims management: Port Lincoln

## Webinars

Introduction to the Return to Work scheme

General mental health services: Community based care

Working in a multidisciplinary team for optimal outcomes

The doctors' wellbeing - Drs4Drs

To register for upcoming workshops, visit our website [www.rtwsa.com](http://www.rtwsa.com) (search **Medical Practitioners**) or scan the QR code.

## Online training for medical practitioners

Free online and CPD accredited courses that are self paced and designed to provide you with the skills, tools and knowledge to help guide and progress your patient's recovery and return to work.

ReturnToWorkGP

Opioids and your patient

## Education at your clinic

Our work injury management modules include strategies and discussion points that are applicable to all patients, not just work injured. All modules include considerations for certifying capacity.

Working with work-injured patients

Managing persistent pain

Managing acute lower back injury and pain

Role of allied health in patient education

These 30-minute sessions are delivered on-site at your practice for your convenience.

*\*Sessions are not accredited with RACGP QI&CPD points.*

## Medical Advisors

**Dr Bridget Sawyer, Dr Chris Bollen and Dr Thanh Ha**

Our medical advisors provide you with clinical support, strategies to manage complex patients, system support, and referral pathways for medical practitioners treating work-injured patients.

To arrange, please call **8238 5757** or email [providers@rtwsa.com](mailto:providers@rtwsa.com).
