Speech pathology service and payment policy

The purpose of the services identified in this fee schedule and policy is to provide treatment that assists a worker in their recovery and (if applicable) supports them to stay at or return to work as soon as it is safe for them to do so. This fee schedule applies to all work injury claims, whether insured through ReturnToWorkSA or a self-insured employer.

ReturnToWorkSA or the self-insurer will periodically review a worker’s treatment and services to ensure they remain reasonable for the work injury and are payable under the Return to Work Act 2014.

Services provided outside of this fee schedule and policy may be approved by the case manager on a case-by-case basis.

Who can provide services to workers?

The Insurer (ReturnToWorkSA or a self-insurer) will only pay for services by healthcare professionals who are:

✓ registered by ReturnToWorkSA to provide the services identified in this schedule. ReturnToWorkSA will register a service provider upon receipt of their initial invoice; and
✓ registered as a practising member of Speech Pathology Australia.

ReturnToWorkSA’s expectations for the delivery of services to workers

ReturnToWorkSA expects that all providers of services to workers as part of the South Australian Return to Work scheme, integrate the following principles of the Clinical Framework for the Delivery of Health Services (the clinical framework) into their service delivery:

1. Measure and demonstrate the effectiveness of management.
2. Adopt a biopsychosocial approach.
3. Empower the injured person to manage their injury.
4. Implement goals focussed on optimising function, participation and return to work.
5. Base management on best available research evidence.

How much the insurer will pay?

ReturnToWorkSA or a self-insurer will pay the reasonable cost of services up to the maximum amount detailed in the ReturnToWorkSA fee schedule.

What ReturnToWorkSA will pay for

ReturnToWorkSA will pay for services that are:

✓ for the treatment of a work injury or condition
✓ reasonable and necessary
✓ in accordance with the clinical framework.

What the insurer will not pay for

ReturnToWorkSA or a self-insurer will not pay for:

× Non-attendance or cancellation fees for treatment services
× Services invoiced in advance of the service delivery
× Written communication between a worker’s treating practitioners
× Services focussed on improving a worker’s general level of health, fitness and wellbeing
× More than one consultation (initial or subsequent) on the same day.

Speech pathology management plan

Treating speech pathologists should complete and submit the ReturnToWorkSA speech pathology management plan. This plan is available on our website at www.rtwsa.com.

For claims managed by ReturnToWorkSA or their claims agents, the speech pathologist is expected to submit a plan:

✓ prior to the 11th treatment if more than 10 treatments are likely to be required, or
✓ prior to the expiry of an existing speech pathology management plan if additional treatment is required, or
✓ at the request of the case manager.

For claims managed by self-insured employers, the plan must be requested by the self-insured employer.

This plan:

✓ should be forwarded to the worker’s case manager or self-insured employer and copies made available to the treating doctor and worker
✓ is to notify the case manager or self-insured employer and treating doctor of the continuation of speech pathology services beyond 10 treatments, the expected recovery and management time frames, goals of treatment, number of treatments required, expected discharge date and any barriers to recovery or return to work outcomes.

Case conference

✓ Case conferences conducted by telephone (teleconferencing) are chargeable under this item.
× No fee is payable for records made by a speech pathologist during the case conference unless delegated as the representative by the case manager or self-insured employer.

Travel time

✓ Travel time will only be paid for the purpose of a case conference, home or hospital visit.
✓ All accounts must include the total time spent travelling, departure and destination locations and the distance travelled.
✓ If travel time is undertaken for more than one worker, the travel time must be divided accordingly.
× There is no charge for travel time from one clinic to another clinic.
× Travel time will not be paid for speech pathologists conducting regular visits (e.g. to hospitals).
