

# Remuneration worksheet

**To be used as a guide only. DO NOT return to ReturnToWorkSA.**

This remuneration worksheet will assist you to calculate remuneration prior to completing your employer remuneration return.

If you choose to have your premium calculated using the actual remuneration payable to workers in the 2022-23 financial year, include all remuneration paid to or for the benefit of workers (including casual staff) between 1 July 2022 and 30 June 2023.

If you choose to have your premium calculated using the estimated remuneration that will likely be payable to workers in the 2023-24 financial year, also include all the remuneration payable to or for the benefit of workers (including casual staff) between 1 July 2023 and 30 June 2024.

Ensure you transfer the 'Total remuneration' amount(s) relevant to your employer remuneration return.

Complete the following details for each of your locations:
