

Remuneration worksheet

To be used as a guide only. DO NOT return to ReturnToWorkSA.

This remuneration worksheet will assist you to calculate remuneration prior to completing your employer remuneration return.

If you choose to have your premium calculated using the actual remuneration payable to workers in the 2019-20 financial year, include all remuneration paid to or for the benefit of workers (including casual staff) between 1 July 2019 and 30 June 2020.

If you choose to have your premium calculated using the estimated remuneration that will likely be payable to workers in the 2020-21 financial year, also include all the remuneration payable to or for the benefit of workers (including casual staff) between 1 July 2020 and 30 June 2021.

Ensure you transfer the 'Total remuneration' amount(s) relevant to your employer remuneration return.

Complete the following details for each of your locations:

Remuneration includes \$ (do not include cents)	2019-20 actual	2020-21 estimate (optional)
Gross wages/salaries (including apprentices, bonuses and any amounts paid to casual staff)	\$	\$
Employer superannuation contributions	\$	\$
