Psychology service and payment policy

The purpose of the services identified in this fee schedule and policy is to provide treatment that assists a worker in their recovery and (if applicable) supports them to stay at or return to work as soon as it is safe for them to do so. This fee schedule applies to all work injury claims, whether insured through ReturnToWorkSA or a self-insured employer.

ReturnToWorkSA or the self-insurer will periodically review a worker's treatment and services to ensure they remain reasonable for the work injury and are payable under the *Return to Work Act 2014*.

ReturnToWorkSA expects the provision of services to be consistent with this fee schedule and policy, which has been developed to comprehensively meet the needs of worker's requiring psychology treatment. Services provided outside of this fee schedule and policy may only be approved by the claims manager where there is no comparable service within the fee schedule and the service is determined as reasonably required in consequence of the work injury.
