How to use this fee schedule

This fee schedule should be read in conjunction with *the Medicare Benefits Schedule (MBS) Explanatory Notes*. This schedule contains information on services and fees that apply to medical practitioners who provide services to workers who are managed under the Return to Work scheme.

This publication is based on Schedule 1A published in the *South Australian Government Gazette*. Gazetted fees are the maximum fees chargeable, excluding GST. Where applicable, GST can be applied over and above the gazetted fee.

All services and fees in this schedule are effective 01 November 2026.

Invoicing and service provision is actively monitored to ensure services are billed in accordance with this fee schedule and that services are reasonable for the work injury and payable under the *Return to Work Act 2014,* (the Act).

Schedule 1A – Clinical services utilises the Medicare Benefits Schedule (MBS) item numbers, descriptions and payment rules with permission from the Commonwealth of Australia. In order to reduce the size of this schedule, we have not included the service descriptions or guidelines. For service descriptions, please refer to the Medicare Benefits Schedule or the Scale of charges for medical practitioners published in the SA Government Gazette.

ReturnToWorkSA has made some variations to the Medicare Benefits Schedule services to reflect the Return to Work scheme. Please refer to the Variations to the Medicare Benefits Schedule section for an explanation of these items.

Returning to work and the role of the health provider

Why return to work is important

The beneficial effect that work can have on a person's health and wellbeing has been well evidenced in the *Australian and New Zealand consensus statement on the health benefits of work - Position statement 2011: Realising the Health Benefits of Work.*

Source: The Australasian Faculty of Occupational and Environmental Medicine (AFOEM), and The Royal Australasian College of Physicians (RACP).

The health provider's role in the recovery process

Health providers have a vital role to play in helping injured workers stay at or return to work. The health provider is best placed to advise and educate patients that, in most cases, a focus on return to work is in their best interest – for both their future, quality of life and that of their family. Staying at home until completely recovered is often not the best thing for an injured worker. Health providers can help by focusing on what a worker can do rather than what they can't.

To help make a difference, ensure that you:

- screen for risk early
- adopt a whole person approach
- set clear expectations
- provide clear certification of the worker's capacity and detail about what the worker can do on the *Work Capacity certificate*
- make enough time for clinical management
- contact the workplace where applicable.

ReturnToWorkSA's expectations
